CLEVELAND PANORAMA TOUR

The Goodtime III and Lolly the Trolley are happy to announce that they will again offer **The City of Cleveland Panorama Tour** for the year **2012**. This is the **24th** year for this crowd-pleasing group tour.

By popular request, Cleveland's two landmark sightseeing companies are combining their successful tours into one easy **Panorama Tour** package that gives you Cleveland "by land and by sea" including lunch aboard the GOODTIME III.

Your **Panorama Tour** day begins with a 2-hour narrated Lolly the Trolley tour of Cleveland including Downtown, the Flats, the Warehouse District, Ohio City, Progressive Field, Playhouse Square and University Circle with a short stop at the City Greenhouse. You will experience a unique view of Cleveland and the Largest Variety of Bridges in America, which can only be appreciated from the spacious indoor and outdoor decks of the GOODTIME III. Your groups will be thrilled with this fun-filled, fact-filled visually exciting look at Cleveland's past, present and future.
